Therefore, the Bidders are advised that while making Bid Proposals and quoting Prices, these conditions may appropriately be taken into consideration.

10.3 Bids not covering the Scope of Works may be treated as incomplete and hence rejected summarily.

10.4 The Bidder shall complete all the Schedules & Annexure in the Bid Proposal Sheets, Technical Data Sheets, **and Price Sheets** and specified elsewhere. The Qualifying Data shall be filled in the required Schedule of Techno-Commercial sheets. While furnishing Qualifying Data, only the list of executed Works, similar in nature to the tendered Scope of Work, shall be furnished.

11.0 **Bid Price:**

11.1 The Bidder shall indicate/quote the **Percentage above or below or equal to** the individual Schedule of material / labour charge for the said work in the KPP portal, which shall be inclusive of all applicable CGST, SGST, IGST & UTGST, F&I etc., Custom duties on imports, Cess if any for supply, erection, testing and commissioning & other services under the contract as the case may be in price schedule.

The percentage price shall be inclusive of the following.

i. The percentage quoted shall be, inclusive of all applicable CGST, SGST, IGST & UTGST, F&I, Etc., Custom duties on imports, Cess if any and levies paid or payable on components, sub-assemblies and raw materials as applicable on the last day of submission of bid.

ii. Inland transportation charges including handling charges and other costs incidental to delivery of the goods to their final destination and insurance charges.

iii. The cost of erection, testing and commissioning as well as associated works including all applicable taxes thereon.

11.2 During the validity of the Contract, the concerned Divisional Executive Engineers of **West Circle** area of BMA (South) Zone of BESCOM will entrust the work for maintenance of UG Cable Network. Hence, the quantity of items covered under this Contract will vary depending upon the necessity of requirement for attending faults **as per joint inspection conducted by the BESCOM Engineer's and Contractor.** The successful Bidder should execute all the entrusted work arising during the Contract period.

11.3 Any alteration in the rates etc., will not be allowed on any ground, such as mistake, misunderstanding etc., after the Bid has been submitted.

11.4 The Bidder shall quote only in **Indian Rupees**.

12.0 **Price Basis:**

12.1 The price shall be quoted on **FIRM** price basis.

12.2 A Bid submitted with deviation to Clause 12.1 shall be treated as Non-responsive and rejected summarily

13.0 **Taxes and Duties:**

13.1 As indicated in Clause 32.2 of Section ITB of the Bid Document, In case of Award of Contract, a Single Works Contract covering both Supply & Erection portion of the repairs / rectification of faults in the HT/LT underground cable maintenance Contract will be issued to the successful Bidder.

13.2 **(i) Applicable CGST, SGST, IGST, UTGST, Custom Duties on Imports, levies, CESS if any** payable on supply of material / equipment, component sub-assemblies, raw materials and any other items used for the contractor's consumption or dispatched directly to the site stores of the contractors, associated civil works and erection/repairs / rectification of faults in UG cable works shall be included in the total bid price and any such **taxes,** duties levies etc, **additionally payable due to statutory variation or due to introduction of new tax or taxes, duties and levies not considered by the Bidder but payable as applicable on the date of bidding etc., shall be to the Bidder's account and no separate claim on this behalf shall be entertained by the owners either during the contractual period or during the extended period if any**.

(ii) Materials supplied by the Bidder to the Owner:

All applicable CGST, SGST, IGST, UTGST, Custom Duties on Imports, levies, CESS if any., in respect of all materials, under the contract shall be included in the total bid price, but they shall be indicated separately as mentioned in clause 11 supra.

Any such taxes, duties, levies etc., not considered by the Bidder but payable as applicable on the date of bidding shall be to Bidder's account and no separate claim on this behalf shall be entertained by the Owner.

(iii) Erection works:

The applicable CGST, SGST, cess if any etc., shall be included in the price bid, and shall be indicated separately in price schedules as mentioned in clause 11 supra.

Any such taxes, duties, levies etc., not considered by the Bidder but payable as applicable on the date of bidding shall be to Bidder's account and no separate claim on this behalf shall be entertained by the BESCOM.

(iv) In case of any statutory variation in **CGST, SGST, IGST, UTGST, levies, CESS if any** or if any **tax**/ duty/levy is newly introduced by the government applicable for this contract with effect from the next day of the date of submission of the bid these variations/additional **taxes**/ duties/ levies will be to the account of the Owner. In case the Bidders indicate lesser rates of **taxes** & duties with reference to the prevailing rates of **taxes** & duties at the time of bidding, any variations in the **taxes** and duties would be paid/recovered keeping the rates of **taxes** & duties applicable as on the **last date of Techno-Commercial Bid Submission as notified (either original or extended) as** the base and not the quoted rates of **taxes** & duties for payment/recovery of difference in the **taxes** and duties. If the contractor is required to pay additional **tax** or duty, then the owner shall reimburse the contractor the additional **tax** or duty so paid by the contractor against submission of documentary evidence to the satisfaction of the owner by the contractor. If there is a reduction in the taxes/duties with effect from the next day of the date of submission of the bid, the individual item rates / contract price will be reduced to that extent or recovered from the bills due to the Contractor. This provision will be applicable to Supply, erection/Repairs / rectification of faults in UG cable and civil works.

Note: Additional tax liability on account of change in the sources of the equipments/materials, if any, will be to bidders account only.

The claims against statutory variation, in principle, would be settled as reimbursement provided the contractor furnishes documentary evidence to establish that the extra amount claimed due to statutory variation was in fact paid by him solely on account of such statutory variation. This may vary from case to case depending upon the nature of statutory variation.

13.3 The BESCOM will deduct Tax at Source as per applicable law from the proceeds payable to the Contractor.

13.4 The bidder must be GST registered firm having GSTIN.

13.5 As regards the Income Tax, Surcharge on Income Tax and any other Corporate Tax, the BESCOM shall not bear any Tax liability whatsoever. The Bidder shall be liable and responsible for Payment of such Taxes as mandated under the provisions of the Law.

13.6 Notwithstanding anything stated in the Sub-Clause 13.1 to 13.5 above, the BESCOM shall have the right to make deduction at Source from the amounts payable to the Contractor against this Contract in respect of any Tax liability as may be Mandatory in terms of the Law. The BESCOM shall not bear any liability in this regard but shall issue necessary TDS Certificate in respect of such deductions made.

13.7 The Owner's liability for all taxes and duties under the contract shall be limited to only those indicated by the Bidder in the break up prices subject to the statutory variations and variations as per clause No. 13.2 supra.

If the cost of the Contract during the performance of the contract shall be increased or reduced by reasons of the making, passing or promulgation of any law after the date of submission of bid or by any order, regulation or by-law having the force of law, the amount of such increase or reduction shall be added to or deducted from the 'Contract Price' as the case may be. It is the Bidder's responsibility to furnish details of **taxes,** duties, levies, etc. applicable as on the date of submission of the bid.

13.8 No Claim for any increase towards the Statutory Variation regarding enhancement of existing **CGST, SGST, IGST, levies, cess if any** or introduction of a new Tax or Duty applicable shall be entertained by the BESCOM during the extended period of Contract, if any, if the extension of the Contract is required due to the causes attributable to the Contractor.

13.9 Before quoting, the Bidder shall ascertain from the concerned **Tax** Authorities of Government of Karnataka/ Govt. of India, the applicability of **CGST, SGST, IGST, UTGST, Custom Duties on Imports, levies, CESS if any** etc., **as on the last date of** Techno-Commercial Bid Submission as notified (either original or extended) in respect of this Package and include the same in the quoted Price. No separate Claim in this regard will be entertained by the Owner, as it is the responsibility of the Bidder to pay all these **Taxes**.

Note: The successful bidder shall be entirely responsible for payment of all **taxes**, levies, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser. In respect of supply portion, the successful bidder shall pay all types of fees, levies, **taxes**, duties etc. required to be paid by any National or State statute, ordinance or other law or any regulation or bye-law of any local or other duly constituted authority in relation to the execution of works and by the Rules and Regulations of all Public bodies and companies whose property or rights are affected or may be affected in any way of the works. The successful Bidder shall in compliance with the above keep the Purchaser indemnified against all such

penalties and liability of every kind for breach of any statute, ordinance or law, Regulation or bye-law. Nothing in the contract shall relieve the successful bidder from his responsibility to pay any **tax** that may be levied by the Government on the turnover / profits etc., made by him in respect of the contract.

13.10 **Building and other construction workers welfare CESS:**

The Building and other construction workers welfare cess act 1996, came into operation with effect from 3rd day of November 1995, the government has decided to collect cess now with immediate effect. Accordingly the government has issued order No. : LD/300 LET/2006 dated 18.01.2007& 28.02.2007

and/or his Employees/ Representatives on the matters related to the Bids under consideration.
No Bidder shall contact the owner on any matter relating to its Bid, from the time of the Bid opening to the time the contract is awarded.
Any effort by a Bidder to influence the Owner in the Owner's Bid evaluation, Bid comparison or Contract award decisions, may result in disqualification.

29.0 Clarification of Bids:

To assist in the examination, evaluation and bona fide comparison of Bids, the BESCOM may, at his discretion, ask the Bidder for a clarification on already uploaded documents of their Bid. The request for clarification and the response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

30.0 Preliminary Examination:

30.1 The Owner will examine the Bids to determine whether they are complete, whether any computational errors have been made, whether required Sureties have been furnished, whether the Documents have been properly signed, and whether the Bids are generally in Order.

30.2 Arithmetical errors will be rectified on the following basis:

If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between the total bid amount and the sum of total costs, the latter shall prevail and the total bid amount will be corrected accordingly. If there is a discrepancy between words and figures, the amount advantageous to the Owner will prevail. If the Bidder does not accept the correction of the errors as above, his bid will be rejected and the amount of bids security will be forfeited.

30.3 Prior to the detailed evaluation, the Owner will determine the substantial responsiveness of each Bid to the Bidding Document. For purpose of these Clauses, a substantially responsive Bid is one which conforms to all the Terms and Conditions of the Bidding Document without Material Deviations. A Material Deviation is one which affects in any way the Prices, Quality, Quantity or Delivery Period of the Equipment, Completion of Works or which limits in any way the responsibilities or liabilities of the Bidder or of any right of the Owner as required in these Specifications and Documents. The Owner's determination of a Bid's responsiveness shall be based on the contents of the Bid itself without recourse to extrinsic evidence.

30.4 A Bid determined as not substantially Responsive shall be rejected by the Owner and shall not subsequently be made Responsive by the Bidder by correction of the Non- conformity.

30.5 The Owner may waive any minor infirmity or Non-conformity or irregularity in a Bid which does not constitute a Material Deviation, provided such waiver does not prejudice or affect the relative ranking of any of the Bidder.

31.0 (a) **Evaluation of Price Bids:**

31.1 **Definitions and Meanings:**

For the purpose of the evaluation and comparison of Bids, the following meanings and definition will apply.

a) **"Bid Price"** shall mean the **Total price arrived based on the percentage indicated in the price schedule** quoted by each Bidder in his proposal for the complete scope of works.

31.2 The comparison shall be on the basis of total cost for complete scope of work including supply of all goods and services (erection) offered, which shall include all the costs as well as GST, duties, Levies and Taxes and also any discounts offered by the Bidder**.**

31.3 All evaluated Bid Prices of all the Bidders shall be compared among themselves to determine the Lowest Evaluated Bid and the Lowest Bid, as a result of this comparison, will be selected for the Award of the Contract.

31.0 (b) **Abnormally low bids:**

(i) An abnormally low bid is one where the bid price, in combination with other elements of the bid, appears to be so low that it raises concerns as to the capability of the Bidder to perform the contract for the offered bid price

(ii) When the offered bid price appears to be abnormally low, the Owner shall undertake a three-step review process as follows:

(a) identify abnormally low costs and unit rates by comparing them with the engineer's estimates, other substantially responsive bids, or recently awarded similar contracts;

(b) clarify and analyze the bidder's resource inputs and pricing, including overheads, contingencies and profit margins; and

(c) decide whether to accept or reject the bid.

(iii) With regard to ITB 31.0 (b) (ii) above, the Owner will seek a written explanation from the bidder of the reasons for the offered bid price,

including a detailed analysis of costs and unit prices, by reference to the scope, proposed methodology, schedule, and allocation of risks and responsibilities. This may also include information regarding the economy of the manufacturing process; the services to be provided, or the construction method to be used; the technical solutions to be adopted; and any exceptionally favorable conditions available to the bidder for the works, equipment or services proposed.

(iv) After examining the explanation given and the detailed price analyses presented by the bidder, the Owner may:

(a) accept the bid, if the evidence provided satisfactorily accounts for the low bid price and costs, in which case the bid is not considered abnormally low;

(b) accept the bid, but require that the amount of the performance security be increased at the expense of the bidder to a level sufficient to protect the Owner against financial loss. The amount of the performance security shall generally be not more than 20% of the contract price; or

(c) reject the bid if the evidence provided does not satisfactorily account for the low bid price.

31.0 (c) **Un-balanced or front loaded:**

(i) If the Bid, which results in the lowest evaluated Bid Price, is seriously unbalanced or front-loaded in the opinion of the Owner, the Owner may require the Bidder to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed, as well as the pricing and sources of materials, equipment and labor.

(ii) After the evaluation of the information and detailed price analyses presented by the Bidder, the Owner will accept the Bid; or reject the Bid

F. AWARD OF CONTRACT

32.0 **Award Criteria:**

32.1 a) The Owner will award the contract to the Successful Bidder whose bid has been determined to be substantially responsive and has been determined as the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily.
